Wall-Mount Lights Assembly*

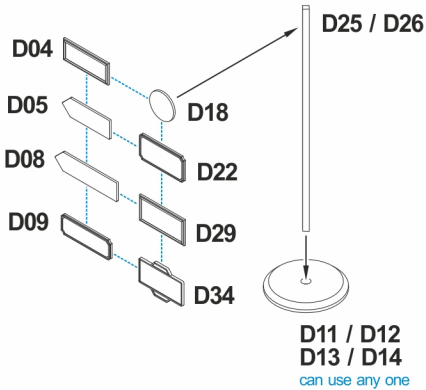

These wall-mount lights are designed to be attached to your terrain buildings.
The pin on the lights are 1.0mm, simply drill a hole slightly larger than the pin and glue the light to the building.

Light Poles Assembly

Street & Road Signs Assembly

These street & road signs can be used as shown by attaching them onto a pole -or- they can be used by mounting them onto your terrain buildings.

Utility Pole Assembly

Utility Pole Design

Please note the differences between utility pole design between Russia and rest of Europe.

Rest of Europe

Russia

Trim off the shaded area with a cutter as shown.

If you like this **Utility & Light Poles** scenery set, you might also want to look at our other scenery products. They are excellent companion plastic kits for your tabletop battlefield and diorama.
