READ THIS FIRST BEFORE ASSEMBLY STARTS...

On the underside of part F09/F12 and F10/F13 an embossed letter "A" and "B" is engraved respectively. Assembling pieces with the same letter (that is A/A or B/B) will allow you to build a **straight wall section**. Assembling pieces with two different letters (that is A/B) will allow you to build a **corner wall section**.
