

# Assembly Instruction

Read carefully and fully understand the instructions before commencing assembly. Model supplied unpainted. Scenery, glue and paint not included.

**WARNING:**  
Contains small parts which may be hazardous to children under 14 years of age.

- This kit may contain Polyurethane Resin, Pewter, or ABS Plastic parts. Please handle with care.
- If resin parts are bent, submerge parts in hot water (not boiling water), bend parts to desired shape.
- Before assembly it is advised to clean the parts in a soapy water solution to remove any leftover remnants of mould release.
- When you use cyanoacrylate glue or paint, do not use near a naked flame, and use in a well-ventilated area.

- When assembling this kit, tools including knives are used. Extra care should be taken to avoid personal injury.
- Keep out of reach of small children.
